FCC MAIL ROOM

Federal Communications Commission:

In the matter of: Request for Review by Kanawha Christian School of Decision of
Universal Service Administrator in reference to FCC Docket Nos. 97-21 and 96-45.

I am writing this appeal in response to a postcard mailed to me on July 11, 2001, and received after that date. This postcard stated that our Form 471 application for Internet/phone services was received by the Schools and Libraries Division/USAC after the 2001-2001 filing window closed at 11:59p m. ET on January 18, 2001, and that our application was being held pending final processing of those applications which were received within the filing window.

I am appealing this decision to hold our application pending final processing of those applications received within the filing window because all necessary forms were filed by January 8, 2001, which was within in the filing window, and I mailed all attachments and contracts on January 8, 2001, which was within the filing window. (See attachments). The mistake I made was inadvertently sending a copy of Form 471 Certification document with my original signature in place of the original. I received a letter from SLD on January 23, 2001, telling of my mistake and requesting the original. I immediately sent the original containing my signature to SLD on January 24, 2001.

I am asking that you reconsider your decisions. Please consider our application for discount funding with those others received within the filing window.

The following is information you may need for further consideration.
